

About Us

Bello By Nature makes no outlandish claims, just a promise of great quality hand-made products and sold to you at a very reasonable & affordable price. I can guarantee that you will see and feel the difference in your skin. And they are vegan friendly!

The scrubs you buy from Bello By Nature are made to order; they have not been sitting for months on a shelf. They are hand-made from scratch using natural and, as much as possible, Australian sourced ingredients.

Making the most of your products

Always use a **DRY** teaspoon or scoop to measure the scrubs or bath soaks out of their containers.

SCRUBS

- WET SKIN THOROUGHLY BEFORE USE.
- You can mix the scrub with your facial cleanser or shower gel to exfoliate as you cleanse!
- Leave scrub on for 3-5 minutes for a moisturising face mask
- Use 1-2 times a week or as needed.

SOAKS:

- **FOOT SOAK:** 1 heaped tablespoons added to a bowl of warm water.
- **IN THE BATH:** 2-4 tablespoons in a muslin bag added to a warm bath. Open the bag to release the beautiful botanicals, if desired.
- **AS A SHOWER BAG:** 1-2 tablespoons to a muslin bag, soak in hot water for 10 minutes and allow oats & botanicals to soften. After washing, use the muslin bag as you would a face washer for a delicious pampering finish.

PLEASE TAKE CARE, OILS IN THE SCRUBS MAY MAKE BATHING SURFACES SLIPPERY!

OUR PRODUCTS MAY CONTAIN TRACES OF NUT PRODUCTS!
